

OUR LITTLE ROCK

Board President

Rachel Cotner
America Walks

Little Rock is a thriving diverse city filled with natural and cultural resources. The City is at a stage in her growth to show the world what an inclusive development process can do for all.

As a passionate agent for change, I believe that knowledge is gained in place. Engagement isn't complete if it takes place behind a desk or in a boardroom. I bring my experience working with America Walks, a leading national nonprofit that advances safe, equitable, accessible, and enjoyable places to walk and move by giving people and communities the resources to effectively advocate for change. I hold a BS in Organizational Psychology, an MBA in Organizational Development and is forever intrigued by the paths to change.

Rachel lives in Downtown Little Rock with her husband, a small-scale infill developer, their free-range daughter, adopted mama dog, failed foster kitten, and anyone else who shows up on the porch.
