

# OUR LITTLE ROCK

## Board Secretary

### **Tyler Nagle Alzheimer's Arkansas**

I love Little Rock for its diversity and perseverance. It's natural beauty has given me a new sense of gratitude and appreciation for community and life in general.

I see continual growth and perseverance in Little Rock, the first word that comes to mind is "overcomer". I see her thriving and not staying stagnant. I see a more assessable community for young ,middle , and older generations to come.

Having experience with the geriatric population, I bring senior advocacy to our Little Rock. I am excited to share and collaborate ideas within our community to also make Little Rock a more safe and assessable area for seniors.

I hope to gain more knowledge and understanding of the communities needs while helping anyone in need. Needs in ones can be defined in many ways, but I'm excited to explore how I can be a servant to Little Rock and its patrons.
